### CALL FOR CHRISTMAS ORNAMENTS

This year's theme is "Santa and his friends" and our goal is at least 150 ornaments. The theme has never made any difference in the ornaments we have used – we appreciate all that are donated. We will have some ornaments for sale at the Salem Center 50+ in the boutique and a Christmas tree for raffle at the annual Razzle Dazzle show the first Wednesday in December.

An added event this year is the selling of the ornaments at the Green Show the first weekend in December. The club will have a booth at the show and will selling some of the ornaments. The funds from the sale of the ornaments will be to purchase a sharpening system for use at the Center 50+.

For each ornament donated, you will receive a chance at gift certificates for the vendors good at our annual show in April. The drawing is held at the November club meeting. Be sure to get you ornaments in by the October meeting; the tree goes on display early November.

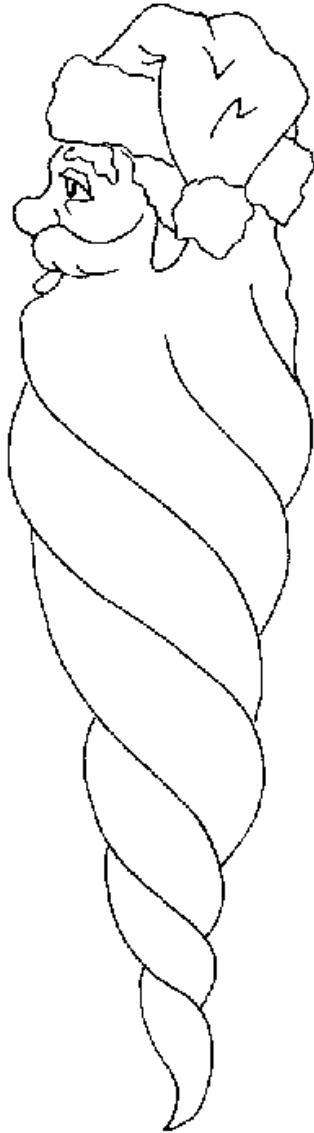

We all ready have a good start with 20 ornaments donated. Those donating so far are; Lou Wakefield, Denise Morical, Larry Roberts, Bill Wisenhausen, Bob Curtis, Barbara Milligan, Don Currey and Frank Campbell, Bring your ornaments to the meeting or to the Friday carvings at the Center. Thanks in advance for your participation.

If you have any questions call Dave Disselbrett (503-390-9125) or [Disselbret@aol.com](mailto:Disselbret@aol.com)

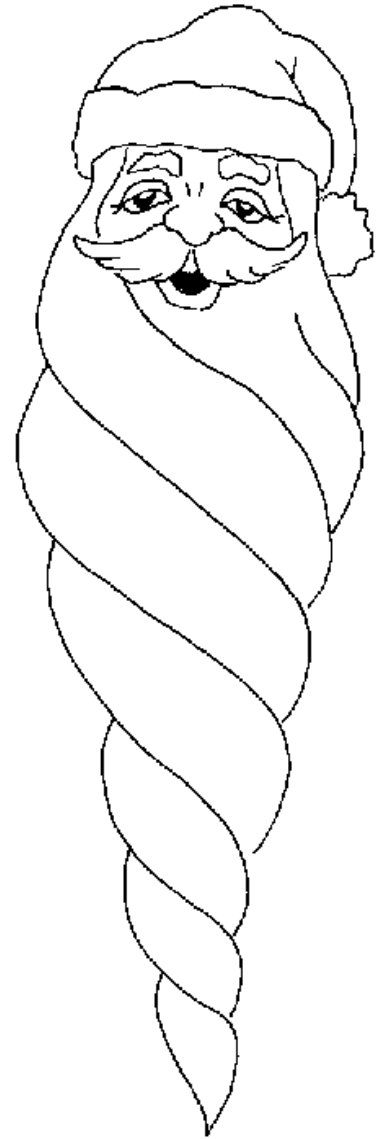

# Crafty Carving Challenges for Chattering Chippers

From Ol' Don © 2000

If you can find a little time for carving during this rushed time of the year, here's another Santa head ornament for you to try. I would suggest the long spiral of his hair and beard should be drawn after shaping the cone so that an even spiral can be laid out before carving the spiral and texture of the hair and beard. You might also like to try the Santa at the bottom of the page as either a shallow relief or an in-the-round carving.
